

Title	Measuring More than Money: The Social Economics of Job Quality
Author	Rafael Munoz de Bustillo, Enrique Fernandez-Macias, Jose-Ignacio Anton and Fernando Esteve
Source	Edward Elgar Publishing Limited
Pub Date	2011
Brief introduction	<p>We thank insightful comments on earlier drafts of this book from Kea Tjildens, Mark Smith, John Hurley and Ricardo Rodriguez. The funding provided by the Junta de Castilla y León (research project SA008A10-1) and the European Parliament (IP/A/EMPL/FWC/2007-017/C1-SC3) is gratefully acknowledged. Finally, our gratitude to the ILO for granting us permission to use the photos on the cover of the book, part of its splendid photo collection of the world of work.</p>
