

<b>Title</b>	<b>Works Councils in Australia</b>
Author	Paul J Gollan, RayMarkey and Iain Ross
Source	The Federation Press
Pub Date	
Brief Introduction	<p style="text-align: center;"><b>acirrt • The Federation Press</b></p> <p>This is the sixth book in the acirrt and The Federation Press series dealing with contemporary aspects of the world of work. acirrt at the University of Sydney was established as a National Key Centre in Industrial Relations in 1989. Since then it has undertaken numerous projects that have examined the regulatory environment, changes to vocational education, work practices and organisations, and the operation of the labour market. The series is designed to present the findings of contract and policy research to a wide audience and to stimulate debate on policy options in the area of employee relations.</p>
